126 Drews Road, Loganholme

Situated on a superb, fully useable 801m² block, this property represents a brilliant opportunity for entry level buyers or investors to purchase at a very affordable price point, with the added bonus of having plenty of potential to add value easily.

A key feature of this property is that it is completely wheelchair friendly and with a fabulous newly renovated bathroom. The home does require some additional TLC, (largely cosmetic), and therefore will suit someone who is keen to put their own touches on the home.

Features include:

- * Three good sized bedrooms, two with built-ins.
- * Standout freshly renovated main bathroom - it's HUGE!...
