

SOLD

6/39 Maranda Street, Shailer Park

Impeccably maintained & in pristine condition, this property is quite the rarity when it comes to standout features! Its envious position on a large corner block means that you have so much more SPACE here - a larger yard, a larger outdoor entertaining area as well as an additional private car space. Another standout bonus, is the ultra convenient *walk to everywhere* position. The Logan Hypderdome is within short walking distance as is a host of other local shops, restaurants, cafes, doctors, dentists, schools... you name it & be assured you can more than likely walk to it from here! The home maintains a cheery mood throughout with its light and bright, freshly painted interior....
