55 Reuben Street, Cornubia

Nestled at the peak of one of Cornubia's most exclusive cul-de-sacs, which ends with a tranquil, bushland surround - you will just fall in love with the whisper quiet position of this home. A grand streetscape gives a hint to the interior, where you will be 'wowed' by the impressive sense of space throughout the home. Certainly not short on space or features, the home unfolds over two glorious levels, easily accommodating the needs of the largest of families. This elevated, solidly built brick home, only 13 years young, has much to offer the growing family. The lower entry level features a large home office/guest bedroom ideally located just off the entry, with a full size two-way bathroom. There are many expansive living areas on offer: formal lounge/dining, casual family room, separate dining room and A/C game...
