82 Andromeda Avenue, Tanah Merah

Immaculate and modern throughout, this renovated residence provides a first-class lifestyle for your family! With its entertaining area overlooking the sparkling inground pool, its designer kitchen with butler's pantry and spacious open-plan living areas, this is a home with serious entertaining credentials!

The home unfolds over two impressive levels. The lower level is where you will do most of your living and entertaining, whilst you will find all four bedrooms on the upper level. Multiple spacious living and dining areas sprawl over the lower level, providing plenty of space for the largest of families. Open-plan living reigns supreme here, with a stylish designer kitchen anchoring the whole space....

The dark toned kitchen features stone benchtops and a full range of stainless-steel appliances including a Smeg oven, induction cooktop and Miele dishwasher. A butler's pantry keeps the mess at bay and provides plenty of additional
